Things Decidedly NEW

Paisley

Since Honors are Even—

this season—between black velvet and gold, the surest way to be ultra-smart is to combine them, as this pump does. The narrow edgings—which, by the way, produce a charmingly slender effect—are of gold kid. 12.50

The Larger the Ring—

the daintier the hand that wears it; But the most effective argument for this ring's size is its beauty. A black opal, with its lovely, changing lights and colors, is mounted in exquisitely wrought, white gold, 18 karat.
